

Learn the CMS Dementia Care Focused Survey Process

You're invited to be a part of the Colorado Nursing Homes Innovations grant awarded to Edu-Catering offering free education around the state on the new CMS Dementia Care Focused Survey in 2018 and Validation® – Truly Successful Communication with Persons living with Dementia in 2019.

To participate, you would commit to:

- Register a team to participate in the all-day education (2018 dates and locations below).
- Provide feedback after each workshop.
- Schedule time for participating team to share information with larger team.
- Develop a realistic *action plan* to share information learned with larger team as well as implement better practices reflected in the new dementia care survey process.

Eastern Colorado: Eben Ezer Lutheran Care Center, Activity Room, 122 Hospital Rd., Brush
